In accordance with GORT No. 758 dt. 06-11-2020 of Agriculture and Co-operation Department, Government of Andhra Pradesh. The District Level Technical Committee is Constituted with the Chairmanship of Hon'ble District Collector/ Magistrate, Anantapur District and DLTC Meeting is convened at ADCC Bank Conference Hall on 18-01-2021 with regards to fixation of Scale of Finance to different crops to be financed by Banks / financial Institutions for ensuing Kharif 2021 and Rabi 2021-22.

At the outset with the permission of the chair, the Chief Executive Officer, DCC Bank Ltd., welcomed the participants and requested the members to give their opinion crop wise Scale of Finance to be fixed and the due dates thereon duly discussing on information submitted by line Departments.

The Hon'ble District Collector/ Dist. Magistrate/ Chairman, DLTC Anantapur expressed the concerns of the farming community and cost of cultivation and requested the banks / line departments to take into cognizance i.e actual cost of cultivation in respect of major crops in the District, i.e. G.Nut (Rainfed), Bengalgram, Horsegram etc., and yields into consideration for fixation of scale of finance keeping in view of socio economic and climatic conditions prevailing in the District.

All the participants profoundly shared their opinion on the issues of cost of production and actual yield. The Members of the Committee have opinioned that the farmers are already indebted in district and mere increase in scale of finance will not substantiate the credit needs of farmers and further impressed that certain banks are extending 30% over and above scale of finance to meet consumption needs etc.,

The forum also opined unanimously to have due date for repayment for one year. The Bankers have expressed that concerned line Departments should assess the actual cost of cultivation and yield for different varieties crops as per ground realities. All the participants profoundly shared their opinion on the issues of cost of production and actual yield. The observations made by State Level Technical Committee earlier with regard to District Level Technical Committee Anantapur was also discussed in detail and proposed Scale of Finance as per Annexure for approval by the State Level Technical Committee.

The meeting was concluded with vote of thanks by the Chief Executive Officer, Anantapur/ Convenor, DLTC, Anantapur.

CONVENOR
